Yeoval Central School

Term 1 Week 4

18 February 2013

The Dream Team
Well done to all students who competed in the swimming carnival on Friday. The school spirit and participation rate was fantastic. I am very proud of every student and their efforts. It was great to also see so many parents attend to support their children and the school. A huge thank you to Mr Olsson and the staff for the efficient running of the day.

In particular, I would like to thank Amanda Cameron for her efforts and also Brooke Green, Brooke Taylor, Tracey Fox and Dan Cusack for ensuring we had plenty to eat and drink.

Congratulations to the following staff on their appointment as Secondary Year Advisers this year:

- **Years 7 & 8**: Mr Rogers and Ms Gordon.
- **Years 9 & 10**: Mr McLaurin and Ms Kerin.
- **Years 11 & 12**: Mr Ellis and Mrs Bates.

It was great to meet some of the parents at the P&C meeting last week. Ten per cent of families were represented. The next meeting will be held in the school library at **7:30pm Tuesday 12th March**. I would like to encourage more parents to attend and have a greater percentage of families represented. The meetings will only take about an hour to discuss fund raising opportunities and other important information about your child’s education. A light supper will also be provided.

Tomorrow we will be holding our annual ‘Leaders Induction Assembly’ at 10:15am in the school hall. Our School Captains, House Captains and SRC members will make their pledge to the school community and we will celebrate their leadership with a small morning tea afterwards with their parents.

**Nicole Bugeja**
Principal (Rlg)

**STUDENT SAFETY:**
For the safety of all students, we would appreciate it if all visitors to the school please report to the school office.

**KIDZ QUIZ:**
All students are invited to complete the quiz and hand it in at the office by Thursday each week by 3.20 pm.

1. What is the name of the tallest mountain on Earth?
2. What body part can butterflies use to taste their food? Eyes, Feet, Wings or Antennae.
3. When was the first Winter Olympic Games held?
4. What is the name of the famous comet that can be seen every 75 or 76 years?
5. What is the word for molten rock found inside the Earth? Lava, Magma, Salsa, Hot rocks.
PRIMARY ASSEMBLY:

Primary Assembly will be held on Friday 22 February at 12.45 pm. All welcome.

YEAR 7 WELCOME:

Last Wednesday the secondary school welcomed our new Year 7 with a pool party. The students had a fantastic time and particularly enjoyed their welcome cake, superbly baked by Abby Pittis. A big thank you to Abby, who also made a welcome speech and to the lovely ‘pool ladies’ who took such good care of us.

MEDICAL NOTES:

Due to new Departmental regulations it is now a requirement that we attach a medical form to each excursion permission note which MUST be filled in and returned with the permission note.

FRIENDSHIPS TO BOOST YOUR CHILD’S LEARNING:

If children are happy socially they tend to be more engaged in their learning. So teaching your child about the importance of making friends is as vital as learning their ABCs.

GET MOVING:

Don’t let the afternoon be a time for hibernation. Make the most of the warm afternoon before the sun sets to get out there and move! Remember, kids need at least an hour of active play everyday, so get outside for a family game of backyard soccer, drag the bikes out of the shed or go for a walk as a family.

LOVE WAS IN THE AIR:
On Thursday our school was filled with an odd assortment of characters from all walks of life. Congratulations to the student body who really got behind our mufti dress-up day and butterfly lollipops. We raised lots of money to support our sponsor child. Our wonderful SRC is to be congratulated on their outstanding efforts and initiative.
