PRINCIPAL’S REPORT:
Over the last few months, staff, parents and students have thought about what values we believe in at Yeoval Central School. They have voted on a range of values. Our new school values are Respect, Responsibility and Cooperation. These values will be evident in all that we do at YCS.

Last week the Department of Education appointed Toni Clark to YCS as our permanent school administration officer (SAO). Toni currently works at Peak Hill Central School and due to that school losing staffing, she has been given a nominated transfer to our school. We look forward to Toni starting in Term 2.

Well done to our students from Years 8-11 who participated in the canoeing trip last Tuesday. Staff from Wambangalang complimented our students on their respectful conduct and responsibility in their initiative to clean-up the native areas.

All primary students participated in the Life Education Van Activities last week with Healthy Harold.

Well done to our Primary Netball team the ‘Wild Cats’ who competed in Dubbo last week. Although they did not win, all girls cooperatively played against Dubbo PS. They showed great sportsmanship and were very proud to tell us all about it at the assembly on Friday. Thank you to our parent drivers Bonnie Sue Smith, Susie Porch and Nicki Tremain.

Year 12 Hospitality students participated in an assessment day last Thursday in Peak Hill. Thank you to Stacey and Craig Kramer and Nadia Riach who assisted with transport.

CANOEING TEAM BUILDING
On Tuesday 25 March students from Years 8, 9, 10 and 11 went canoeing on the Macquarie River. This was part of their welfare program. After a safety and technical briefing, students paddled downstream to the Emile Serisier Bridge.

It was observed that a lot of rubbish had accumulated after recent rain so on the way back up the river students competed for who could collect the most rubbish in their canoe.

Nathan Card and Lincoln Monk proved they were the best rubbish collectors earning them a number of merits and a golden kangaroo from Wambangalang.

After the cancellation of School Clean-up Day this year, due to rain, this activity more than makes good contribution to the local river ecosystem.
Following this, students canoed to Sandy Beach for a swim and back to load boats and head home. A fantastic day was had by all and much thanks goes to the Wambangalang staff for their assistance.
