PRINCIPAL’S REPORT:
Well done to our Lawn Bowls team who have made it through to the NSW Central Schools State Finals on 18 August. Bailey Carr, Christopher Taylor and Matthew Wykes had a great day last Thursday. Thank you to the Yeoval Bowling Club for hosting the event.

Congratulations also to Corey Furminger on qualifying for NSWCHS Cross Country at Eastern Creek.

I appreciate the efforts of the team involved in the Bike Rally fundraiser over the long weekend: Don and Amanda Cameron, Renee and Peter McClure, Bonnie-Sue Smith, Brooke Taylor, Penny and Charlie Giblett, Nicky Tremain, Amanda Crain and Sam and Natasha Taylor. Well done!

Parent teacher interviews are an important part of your child’s education. It is an opportunity to speak with each of your child’s teachers who will identify their strengths and areas for improvement. Please come along to our school on Wednesday 25 June from 3:30-6:30pm. Bookings are essential. Please call the Administration Office to arrange appointment times. The P&C will be hosting a BBQ dinner for all that attend. All parents who attend will go into the draw to win a Family Pass to Taronga Western Plains Zoo.

SPORT REPORT
Another massive week in sport. Congratulations to the students who competed at Western Area Cross Country Trials at Wellington. All the students competed to the best of their ability and we had some fantastic results. Corey Furminger was successful in qualifying for Western Area and will now represent at NSWCHS Cross Country at Eastern Creek in Term 3. Well done Corey.

Our lawn bowls team were also successful this week. The team consisted of Christopher Taylor, Matthew Wykes and Bailey Carr. We played Molong in the first game and won 10 – 5 and then they defeated Peak Hill 13 – 11. The team will now contest the NSW Central Schools Lawn Bowls State Finals in Dubbo on the 18th August.

CAREERS EXPO
Students from Years 9 - 12 will be able to engage with businesses offering a wide range of office-based jobs, trade jobs and professional opportunities. There are about 40 businesses including private and government agencies participating.

The purpose of the Jobs Expo is to support students with up-to-date information on career opportunities, industry and educational options and vocational pathways.

Previous Jobs Expos have proved to be an extremely worthwhile exercise for students and this year looks to be no different.

This Jobs Expo is being organised by The Dubbo College Senior Campus with funding provided by the Department.

VET PRIMARY INDUSTRIES

In Primary Industries students develop understanding and competence in activities such as fencing, operating tractors, handling stock and working in the agricultural industry.

Coursework is delivered via video conference and students practically apply knowledge and skills with co teachers. Assessment of competence is conducted for practical units through assessment days, where students work individually and as a team to accomplish tasks as they would in industry.

The current unit being studied is livestock, where students learn to safely care for the health and welfare of both stock and workers while handling stock in the yards to complete various husbandry activities.

Mr McAlister, Peak Hill Central School.
