TOUCH FOOTBALL

OPENS COMPETITION

The Open Touch Football teams travelled to Dubbo on Friday 30 May to compete in the Central Schools Touch Gala Day. Both teams performed extremely well working together to ensure that everyone had an enjoyable day. The boys played close losses against Gulargambone (2 – 4) and Dunedoo (0 – 4) with a decisive win against Tottenham (10 – 0). The girls played to a nil all draw against Portland and a loss against Dunedoo (0 – 4). Unfortunately Brewarrina could not make it to the day so both boys and girls team won by forfeit. We would like to thank and congratulate all players/students for their participation and conduct on the day.

Mr C Ellis and Miss G Loud.

UNDER 16’S COMPETITION

On Thursday 29 May, students from Yeoval Central School participated in a Touch Football Gala Day held in Dubbo. The day was enjoyed by students and staff. The girls team played Coolah, Trangie, Molong and Dunedoo. Whilst they played with a lot of heart and character the girls were defeated in each game. The boys enjoyed a win over Trangie before losing narrowly to Coolah and Dunedoo. The boys progressed through to the qualifying final against Trundle and were, again, narrowly defeated. The girls side won back some bragging rights against Trundle with a in their final game. A fantastic day was had by all and we wish Trundle all the best in the state finals.

Thanks must go to all the parents who assisted with transport on the day. It would not be possible to run such events without their support.

Mr J McLaurin.
Quality teaching and learning in a well-resourced environment

PRINCIPAL’S REPORT:

CONGRATULATIONS to Elke Bishop who has won the value of her school fees fully refunded! Thank you to all families who paid by the due date. Invoices will be sent home of any outstanding fees this week. Please contact me if you would like to discuss.

Well done to all students who have been completing examinations and assessments over the last week.

Congratulations to our public speakers who went to Bathurst on Wednesday. I appreciate the following parents who supported the students and assisted with transport, Nicki Tremain and Debbie Blatch as well as those who transported their own children.

Congratulations to Sydney Tremain who received a Highly Commended Award with a $15 prize.

Our U/16’s and Opens boys and girls touch football teams competed in Dubbo last Thursday and Friday. Thank you to our parents who assisted with transport, (Mr Kramer, Mr Wykes, Mr Lees, Mr and Mrs Monk, and Mr and Mrs Koneska and Mr and Mrs Fitzgerald.)

Well done to our students who competed at Tullamore at the NARRAF Cross Country Carnival last Friday. Again, a big thank you to our parent drivers Mr Phillips and Mr Brown. Well done to Tiarna Phillips, Paul McClure and Ailee Tremain.

Our next P&C meeting will be on Tuesday 10th June (Week 7) at 7:30pm and it will be held in the school’s Computer Room. All parents are welcome.

Nicole Bliss
Principal

4 June U/16’s Rugby League
5 June U/14’s and Opens Rugby League
5-6 June HSC Seminars, Dubbo
9 June Public Holiday

Congratulations to the following students who received awards this week:

MERIT AWARDS:

Silver: Jessica McClure, Isabella Smith, Raymond Nepe, Ethan Monk, Jake Monk

REFORMS TO P&C FEDERATION

The NSW Parliament has introduced legislation to reform the NSW Federation of Parent and Citizens Associations, which has suspended operation pending Supreme Court action. While these reforms will not affect the day-to-day operation of individual school P&Cs, they will introduce a new executive structure which will ensure the Federation operates as a modern and representative body on behalf of school P&C Associations.

Each school’s P&C Association will be asked to vote for councillors and delegates who will represent their electorate at the Federation’s Annual General Meeting and councillors who will serve on the Federation’s Board of Management. More information will be available on the Department’s website at http://www.schools.nsw.edu.au/gotoschool/a-z/involvement.php.
HSC Biology is one of the top ten most popular subjects in the HSC with over 14,000 students. This term students have studied an infectious and non-infectious disease; the development of our understanding about malaria; vaccination programs to eradicate small pox, polio and diphtheria, public health programs and quarantine strategies to prevent disease.

Studying HSC Biology gives students relevant knowledge and skills for careers such as Nursing, Agriculture, Medical Science, Veterinary Nursing and Health Studies. One of the important aspects of studying Biology on Western Access Program are the practical days conducted each term to complete mandatory first-hand investigations.

Maria George, Peak Hill
ASSEMBLY:

Primary Class of the Week:
4/5/6 for great teamwork.

NARRAF CROSS COUNTRY

On Friday 30 May, 14 students travelled to Pola Park in Tullamore to compete in the NARRAF Gobondery Cross Country. All of the students put in their top effort which made the day enjoyable.

Three students have been selected to represent Yeoval Central School in the next level of Cross Country which will take place in Wellington.

Congratulations to Tiarna Phillips, Paul McClure and Ailee Tremain, we wish you luck! This day would not have gone ahead without the support of the parents but especially Bill Phillips and Dean Brown who assisted with driving students to the event.

Miss K Border.
