VIKING SHIPS

This year in History students have been studying a number of cultures from the past. One of the highlights was the Vikings and their seafaring lifestyle. Loki ‘The blood thirsty’ Pilkvist (Logan), Eira ‘The wise’ Perrson (Emma), Signy ‘The feared’ Thorne (Sydney) and Jersey ‘The bone crusher’ Matheson (Joseph), all designed great ships.

PRINCIPAL’S REPORT:

Congratulations to Courtney Cusack who has received the Youth of the Month Award from Cabonne Council for October. Courtney has done an amazing job as School Captain this year and is achieving high results in Business Studies, Standard English and General Mathematics in the Western Access Program. She is also completing Certificate II in Hospitality and III Children Services. Courtney has represented the school in water polo, touch football, soccer, cricket, netball and softball. Courtney volunteers her time in the community to assist in catering at local events and working at the UPA. Courtney has been a member of our SRC for the last three years and initiated and organised the ‘National Day Against Bullying and Violence’ amongst other fundraisers for the SRC. As a highly valued member of our school community, Courtney is a worthy recipient of this award. Well done!

Last week, Corey Furminger competed at the State Athletics Carnival at Homebush Bay. Corey ran in the 400m and 800m events. We are very proud of his determination and effort, he came 9th overall in the 400m in 52.5 seconds. Congratulations Corey!

Well done to Blain, Darby and Caitlin who spent last week in Dubbo completing work placement for Metal and Engineering and Hospitality. Each student received very positive comments from their employers and the WAP staff who supervised them.

Thank you to the following students who performed at the Red Cross Fete on Saturday: Lachlan Wykes, Sydney Tremain, Ankica Koneska, Logan Porch, Jake Baker, Olivia Cameron, Lyndsey Tremain, Caleigh Baker, Lola, Lucy Smith and Claire Smith. Mrs Johnson and Ms Border did an excellent job preparing and organising our students to perform in the community. Thanks also to Sara Cannon and Evelyn Tremain who ran the P&C stall and Blake Cameron, Brian Peacock & William Cannon who assisted in selling raffle tickets.

Our P&C were also busy over the last few weeks running the Loom Band Competition and Father’s Day stall. Thanks to Susie Porch and Alison Smith for their efforts.

Last week, some of our Food Technology and Visual Arts students visited The Canobolas Rural Technology High School’s Youth Arts Festival to participate in cooking and charcoal drawing workshops by Kate Bracks, the 2011 MasterChef winner and Heather Vallance. What an amazing opportunity for our students!

All students (K-12) also participated in workshops given by staff from Charles Sturt University (CSU) on Thursday. They learnt about post-school options and about university life.

Well done to all of our students last Friday. They participated in the ‘Yeoval Amazing Race’, a welfare activity organised by Mrs Tremain. Students were challenged to find a variety of answers to some very difficult questions around our town. Well done to Yr 8 – 1st, K/1 – 2nd and 11/12 – 3rd!

NAPLAN results were distributed to all Years 3, 5, 7 and 9 students on Friday.

P&C meeting at 4pm in the school library tomorrow. Hope to see you there.
