On Wednesday 21st of October, over 30 students travelled to Dubbo to compete in the CHS Super 8s Cricket competition.

This competition invites central school from the district to compete in a fun and faced paced atmosphere.

Most of the teams were extremely talented which made the day challenging and rewarding. The Under 14s and Opens girls teams were fortunate enough to make it through the nest round of competition held later in the Term. Unfortunately both of the boys' teams were knocked out.

Thank you to all involved, especially parents who drove to Dubbo to support the students.

_Miss Kate Border_
PRINCIPAL’S REPORT:

Congratulations to the Open Girls Super 8’s Cricket team who have qualified for the NSW Central Schools State Finals to be held in Dubbo later in the term. As a school we took 4 teams to the tournament and the students were exceptionally well behaved and played to the best of their ability. Thanks to Mr Coote, Mr Wright and Miss Border for their efforts.

Congratulations to Lincoln and Ethan Monk on making Western Rams rugby league squads and I wish them well in future trials and selection games.

Thanks to Mr McLaurin for running a Metals and Engineering on behalf of the Western access Program.

HSC exams are almost over and congratulations to those students who have already finished, we continue to wish you well.

On Friday 30th October Mr Andrew Gee MP of Orange will be at school to officially open the new buildings. Parents are more than welcome to attend and watch the proceedings. Mr Gee will be here at 11:25 so if you wish to be involved please sign in at the office at 11:20am.

Scott Olsson
Principal Rlg

PAVERS

We have been informed that there may have been people who are still interested in ordering a commemorative paver but have missed our original offer.

We have decided to offer another round, open only for a limited time. Please pass the word around. To order, we must have a minimum order of 100 pavers.

Closing date will be Friday 13 Nov.

P& C Meets the 2nd Tuesday of every month

Max of 2 items per student 
No Size 14,16 S or XL

Please Contact Sara 63 679 394 to arrange purchase. Payment can be left at the school office.

Thanks
On Wednesday WAP Metal and Engineering students joined students at Yeoval Central School for a training day. During the day they learned the finer points of Manual Metal Arc Welding. Arc or stick welding, as it is commonly called, is the most used method of welding in the world. In the morning students practised their technique, with Mr McLaurin's help, and in the afternoon they welded some foot plates onto the old primary students monkey bar set to turn it into a green house. They also had enough time in the afternoon to begin learning brazing using oxygen-acetylene equipment. This is a low heat welding process that does not cause the metal to distort as much. In further weeks students will do some brick and block laying and learn basic leveling techniques to create piers to raise the monkey bars to a more appropriate height for working in.

During this semester Yeoval Central School has been manufacturing seating for the Yeoval Town Oval. Students from K-12 have enjoyed being involved in the project in various ways including: drilling, cutting, bending and painting of the frames and boards under the supervision of Mr McLaurin. This project reflects the significance of Yeoval Central School in the community and our desire to make a positive difference for students who live in the area. Cabonne Council will install the seating in the near future.

Sarah got 100% for the practical part of her Industrial Technology Assessment. Pictured below is Sarah with her lovely cabinet.

For achieving 100% in her Industrial Technology project.

SAFER DRIVER COURSE
FOR YOUNG DRIVERS

Preparing you for your Ps
Become a safer driver and earn 20 hours of bonus log book credit by enrolling in a Safer Drivers Course.

7th November 2015
Time: 9am – 12pm
Where: Skillset Office Suite 3, 207 Brisbane Street
Dubbo
Cost: $140.00 for 20 log book hours
To Book: Call Skillset
Ph: 63301400 or email cvans@skillset.com.au

There will be a Pub v Club cricket match on Sat 14 November. There is the opportunity to play a junior game prior. If you are interested, please see Mr Coote for details.

MYRANGLE EXCURSION

Because of the activities involved on this excursion, students are not required to wear school uniform. They are to wear long pants, boots or appropriate shoes for a farm visit, and long sleeved shirts. They also need to bring hats, water, recess and lunch. There is not an option to purchase food. Notes MUST be in on Tuesday. Please note that this is a compulsory part of the school curriculum and students are expected to attend.
