PRINCIPAL’S REPORT:
Welcome back, I hope you all had an enjoyable Easter break and isn’t nice to see some rain. It does mean though that we start to move into the colder months so remember your jumpers and track pants should be the school colours. If you don’t have them or they are in the wash then please bring a note from home as we are understanding of these occurrences.

Welcome to Mr Benn Wright the new Head Teacher Secondary Studies and to Miss Emily Hodges our Undergraduate Youth Tutor. Hopefully you enjoy this wonderful school.

You may have noticed over the holidays that the old Principal residence has been demolished, over time this will be levelled and seeded with grass. The admin refurbishment is well and truly underway with gyprocking to commence early next week. The interactive TV’s will be installed into the new senior video conference rooms and these are state of the art and will provide even better learning experiences for our HSC students.

Our school plan has been endorsed and is available to be read on our school website. Our 3 strategic directions are:

- Successful Learners
- High Performing Staff
- Positive Partnerships

Over the holidays I was pleased to be informed that my successful grant application of 6 new iPads will be delivered to the school when the Variety Bash comes to town on the 21 May. The P and C will be catering lunch for the drivers and will be a wonderful spectacle for the town.

On Saturday we commemorate ANZAC Day, there is no public holiday on the Monday. As usual students will be asked to attend the march from our school down to the Memorial Hall. Students are to be dressed in full school uniform and assemble at the school at 10:15am so we can be organised to commence marching. The service will begin at 11:00. We will then remain in the hall for the ANZAC service. I understand that some families and students have commitments on this Saturday, however it would be lovely to see as many students as we can to be involved with this special service commemorating 100 years since our soldiers were involved in Gallipoli. At school we will have a service on the Friday during our normal school assembly.
