Last Wednesday, students travelled to Dubbo for the Open Western Central Schools netball carnival. They ranged in years from Year 8 to 12, Caitlin Nuss (Yr 12), Darby Tremain (Yr 12), Kaitlyn Butler (Yr 11), Danika Phillips (Yr 11), Madaline Harvey (Yr 11), Shanai Butler (Yr 9), Mackenzie Tremain (Yr 9), Josie Lees (Yr 9) and Sydney Tremain (Yr 8). The ‘Cows’, yes that is their name, played three games of netball, the first game was against Molong Central, the second against state champions, Lake Cargelligo, and the last game was against Coolah Central. We won’t mention the scores, only that the girls tried their best and played with the sportsmanship Yeoval Central is renowned for. Thank you to Linda Van Kemenade, Bruce Lees and Brooke Phillips for driving students and being there for support, also, a big thank you to Miss MacDonald for refereeing four games of netball.

Ms Fiona Kerin
Quality teaching and learning in a well-resourced environment

PRINCIPAL’S REPORT:

Congratulations to our netballers this week who played to the best of their ability at the Western Central schools Finals.

School Photos are on Tuesday so please be in full school uniform and pack your smiles.

Parent Teacher interviews are on Tuesday so if you haven’t made an appointment it is not too late so please call the office to arrange a time with the staff to discuss your child’s progress this semester.

I am looking forward to taking Jake Monk and Darby Tremain to Sydney on Thursday for our captain’s visit to Parliament House.

It appears our website and facebook page are being accessed and working well to provide information to you on what is happening at our fantastic school, if you have any feedback on the pages please feel free to give us a call.

At the end of the term we farewell Miss Emily Hodges as our Youth Tutor. Emily has to complete her final year of practical teaching in Sydney. The school has been better for having Emily with us and the students have been able to access the skill, enthusiasm and ability of this wonderful teacher. I wish her well and hope to see her back in Term 4.

On Wednesday Cabonne Council are coming to the school to involve the primary students in a literacy activity. They will be reading to the students and will provide a free BBQ lunch to the students from K – 6.

Congratulations to Mr Benn Wright who has just been selected in the NSW Country Rugby Union side. We wish him all the best against QLD Country.

Finally I wish everyone a safe and enjoyable holiday break, all the students have been given wonderful opportunities this term to achieve their goals, the staff have worked tirelessly to continue to educate the students, the office staff have been exceptional with their organisation and care and the ground staff have made the place look great.

Enjoy the break and look forward to you returning on Tuesday 14 July. The staff will be in Peak Hill on the Monday for professional development, enjoy the holidays.

BEYOND THE LINE VISIT

Last week Yeoval Central School was included to be involved in a programme known as Beyond the Line. This programme brings teaching students from the coast out West to experience life in a rural and isolated community. This year we hosted three students from Newcastle who were blown away with our amazing facilities and how lovely the students are and they also gained confidence in applying for jobs in similar areas. I was very proud to show the university students around the school and the town and this is a credit to all of the students, staff and community members. Keep up the great work everyone.

Miss Kate Border
Students from Trundle Central, Peak Hill Central and Yeoval Central came to Peak Hill Central School's Hospitality TTC to participate in their practical assessment.

Students demonstrated key competencies and produced an amazing lunch. Well done to the Year 11 Hospitality class for all of their efforts and enthusiasm.

Ms Fiona Kerin

Quality teaching and learning in a well-resourced environment

This semester in Information and Software Technology, Year 9/10 have been studying Robotics and Automated Systems. They have been able to construct and program a variety of robots systems and have studied Asimov Three Laws of Robotics. Years 7/8 Information and Communication Technology have been focussing on digital media and have constructed some mock flyers in the Photoshop environment (images are on the next page).

Mr Christopher Ellis

MEDICATION AND ILLNESS AT SCHOOL

If your child is prescribed medication of any kind, there are guidelines to the way in which the school can administer and store these medications:

- **All prescribed medication** that is in tablet form must be delivered to the school in a blister pack style. This can be arranged through a chemist.

- Any liquid medication must have the child’s name, dosage and Doctors information included.

- If your child is on **prescribed medication** for a period of time and is required to take it during school hours, there is paperwork that you will need to fill out. This is a department requirement. We are not permitted to administer medication unless this paperwork is done.

- If your child comes to the office with a headache etc, we will call you to come to the school with your own Paracetamol and administer to your child. **We are not permitted to administer any non-prescription drugs of any kind.**

- If you have a child with **asthma**, we must have an Asthma Plan in place. Please ask at the office for the paperwork. This must be done in conjunction with a Doctors appointment.

HSC METAL AND ENGINEERING ASSESSMENT DAY

HSC Metal and Engineering students from Peak Hill recently participated in an assessment day at Yeoval Central School. As part of this day, students carried out brazing. This involves heating steel to melt a filler material with a lower melting point than the steel. The braze bonds the steel together with a strong joint at the ionic level. It is a manual welding process that has existed since ancient times. It is still widely used to make steel frame bicycles and in the farming industry. Students enjoyed the challenge of using oxygen and acetylene to bond the steel together.

PRELIMINARY INDUSTRIAL TECHNOLOGY

In Industrial Technology this semester students have been designing and creating cabinets. The cabinets must be made from Radiata Pine and incorporate a drawer, doors and be no larger than 1m tall, 500mm wide and 400mm deep. The students have been very creative designing a number of different entertainment units and versatile storage cabinets. They have been demonstrating their skill as cabinet makers by incorporating a wide range of techniques and a high degree of difficulty.

JUNIOR GOLFING CLINIC

!!!!School Holiday Fun!!!!

THURSDAY 2nd JULY 2015
WELLINGTON GOLF CLUB

(Cost $10 per person)
Includes golf, sausage sizzle lunch, draw for a golf bag and chance to win some prizes

TIMES & AGE GROUPS
9am (Register) 9.30 to 11am for 5 to 10 year olds
11am (Register) 12noon to 3pm for 11+yrs

What you need:
- Book for Catering Purposes by contacting the Club 68452130 or Marie Cornish 0407 458413
- Bring $10
- Flat
- Drink Bottle
- Juggers
- Warm clothes if cold
- Golf Sticks supplied but if have own bring

COUNTRY JUNIOR GOLF
WESTERN NSW

Zoo Adventures – Taronga Western Plains Zoo
Winter 2015

Zoo Adventures is a school holiday program for students attending primary school, aged from 5-12 years, which is run by qualified staff.

Children experience the sights and sounds of the zoo, join in with workshops and other activities with an animal theme!

Wanted: Wonderful Wildlife!

Our planet is home to an amazing array of plants and animals. Join us and learn about some of the world’s most amazing creatures. Feel the buzz of our large display wall and find out.

Warm and Only

Winter really is a wonderful time of the year, but it sure can be a bit creepy if you wake up in a warm house on the end of the day. The wonder animals wake up for a bit of a yawp, and as we know how to keep them happy, they may wake when the temperature drops.

Night at the Zoo

The Zoo is an exciting place – especially at night! Come along and meet some of our nocturnal animals and learn the surprising facts they can do.

Details

Age: 5 – 12 years (must be arriving school)
Time: 9:00am to 5:30pm
Night at the Zoo – 4:00pm to 8:00pm
Cost: GROWN UPS – entry must be made before the evening 30th June 2015
$49.50 per child per day
$80.00 – Zoo/Valentines per child per day
NORMAL RATE – after 30th June 2015
$59.00 per child per day
$95.00 Zoo/Valentines per child per day
Drop off and collection point is located on the grassed area on Olley Road outside Zoo Gates.

***Skiing Zoo is provided, M&D Drive is provided for night at the zoo***

Afternoon/Extended Care

Extended care is available in the classroom only from 9:30am to 11:00am. No before care is available.
Cost: $15.00 per child per day
Collection point for extended care only located at the Education Centre. Please speak to staff regarding access arrangements.
You must be pre-booked to use this service.

Closures
- No refunds on cancellations after 24th June 2015.
- No refunds on closures due to rain.
- Payment must be made at time of booking.
- Cancellations must and copy of current membership to child’s school when booking to obtain discount.
- Programs/Activities subject to change without notification.

What to Bring
- Clothing to suit weather and for outdoor activities
- Enclosed shoes
- Water bottle
- Paints and brushes
- Painting apron or old shirt for craft activities.
Need support, but don’t know where to go?
Call the Western Family Referral Service

**SRC Report**

At YCS we are very lucky to have fabulous staff who work hard at providing us with engaging lessons and holistic learning experiences. Today our SRC took the opportunity to show our teachers how much we appreciate them by providing them with ‘Have a Happy Week’ gifts. Happy teachers make for happy students and a happy school. We hope all our school community has a happy week.

The SRC will be holding its **fundraising activity for Term 2 during Week 10. We are holding a hot dog/mufti day on Friday 26 June. A hot dog and popper will cost $4.00.** Could you please hand your orders with payment to the office by Wednesday 24 June. Just a reminder that if you come in mufti, you need to make a gold coin donation. Students are advised that they need to wear appropriate clothing and footwear for school. All money raised will support our ‘Top Gun’ day in Term 3.

---

**ENGLISH**

We have been studying Shakespearean sonnets and parodied the poem ‘Shall I Compare Thee to a Summer’s Day’. We concentrated on maintaining the iambic pentameter at the expense of the rhyme scheme. Here is an example of our work.

Shall I compare thee to a raging beast?
Thou art more terrifying and more vile.
Unruly students do shake thy temper,
And light the fires of eternal hell.
Sometimes absent homework ignites fireworks,
And often the victim expires;
And every crime upon crime receives a glare,
By chance the answer is unfamiliar;
But thy may never say “I do not know”,
Nor hand forth a mediocre effort,
Nor shall speaketh when the creature doth speak,
When eternal minutes to hours turn.
So long as children learn, or YCS survives,
So long lives the beast, and educates thee.

_Mrs Helen Tremain_
